	Areas for Growth	Is good or very good, of a high standard met by many education students. Level 3	Above and Beyond
Quality		• Mandatory artifacts included with reflective voice. • Self selected artifacts included with reflective voice. • Narrative format connects with personal experiences and learning. • Narrative format is supported with a variety of visuals, graphics, images and/or multimedia. • Professional organization is user friendly ; built with clear and appealing design.	Good quality of artifacts and more artifacts included than just mandatory ones
Content	I can continue to develop, learn, and grow towards being an Ontario Educator	• Entries are relevant to your vision of Ontario education and educators • Entries illustrate growth towards requirements of the Ontario Ministry of Education educators • Entries demonstrate understanding of 21st Century classrooms, including instructional strategies • Entries demonstrate application of OCT Professional Standards and Code Of Ethics • Entries demonstrate a reflective voice • Sources cited, where appropriate • Moves beyond sharing ideas / resources; illustrates critical thinking and reflection *	
Expression	Need to add more about questioning personal values, beliefs, and preconceptions	• Artifacts are appropriate, effectively enhance the intended message and ePortfolio • Artifacts are clear and concise, applying educator voice • Personal mode of communication enhances message • Artifacts explain relevance of concepts • Questions personal values, beliefs, and preconceptions • Entries explicitly link experience to self-concept, perception of others, and course concepts • Messages edited for grammar, spelling and clarity • Dated entries show growth and consistency over time • Professionalism evident in preparation and submission • Moves beyond sharing ideas / resources to illustrate critical thinking and reflection	Variety of artifacts, linked to personal experiences and posted over time, showing growth

Engagement	Could add more variety of topics, for example more for specific subjects	• Required timelines and entries met in a competent manner • Commitment, independence and initiative with on going, timely entries demonstrated across each term • Breadth of concepts, questions and reflections apparent • Assignment description addressed • Insightful view into teaching and personal journey evident • Seeks support as needed, well in advance of due date	Semi-regular updates relating to teaching practice
Overall (Statement and level from LU rubric)		Overall, I am very happy with my ePortfolio. I have put a lot of time and effort into it. I have been keeping up with it and updating it pretty frequently. There are still elements to add, and I can continue developing it as I grow as an educator. I am proud of how my ePortfolio has come together so far. Because of this, I feel I deserve an A-.
